The Never Ending Secrets of Rosemary Hart

👁 15 ✓ 0 ★ 1

Chapter 1 by Isaiah Alston

Rosemary Hart was known for keeping secrets. Her mom would often tell her she would explode with all the things she kept to herself. She had a friend named Abigail. She was pretty much your 21st century whore. She slept with them all really boys and girls alike. I heard things got icy between the two of them right before "it" happened. Rosemary had a boyfriend named Kyle. But to most people he seemed like a total jerk, especially to Rosemary.

Maybe i shouldn't stick my nose in other peoples business but the one thing that puts the icing on the cake is that. Rosemary...is dead.
